

## CEDARS-SINAI MEDICAL CENTER

### Department of Pharmacy Services

#### ***First-Year Pharmacy Practice Residency (PGY-1) 2012-2013***

The Department of Pharmacy Services offers an accredited PGY-1 Residency in Pharmacy Practice. The purpose of the Cedars-Sinai Medical Center Residency in Pharmacy Practice is to provide the resident with one year of postgraduate advanced hospital practice experience. The resident will achieve professional competence serving as a member of a multidisciplinary health care team providing direct patient care to a variety of patient populations during clinical rotations in inpatient practice, drug distribution, pharmacy management and primary care. The resident will also develop teaching skills through in-services to the healthcare team and patients. He or she will be expected to exercise leadership in improving the safety of the medication use system and develop problem-solving skills through participation in departmental and organizational initiatives. The goal is for the resident to develop a commitment to life-long learning and professional practice.

Cedars-Sinai Medical Center is a 960-bed acute, tertiary care teaching hospital located in the heart of Los Angeles, just a block away from Beverly Hills. The Department of Pharmacy Services consists of over 300 staff members and provides decentralized pharmacy services to patients via satellite pharmacies and three outpatient pharmacies in the following subspecialty areas:
