Surgical Services
Speakers Bureau

Cedars-Sinai Medical Center is a world-renowned leader in healthcare. Cedars-Sinai has received the National Research Corporation's Consumer Choice Award every year since the award program's inception and is consistently recognized as having the "Best Overall Quality," "Best Image and Reputation," "Most Personalized Care," "Best Doctors" and "Best Nurses."

In keeping with our mission to expand the horizons of medical knowledge, we have established the Pediatric Surgical Services Speakers Bureau, comprising expert clinicians in the areas of cardiothoracic surgery, neurosurgery, plastic surgery, urology, general surgery, spine surgery, orthopedic surgery, ophthalmology, transplantation and otolaryngology/ENT. Our physicians are highly trained and board certified in their pediatric specialties and subspecialties and have extensive experience treating children of all ages. **To schedule a speaker, please call (310) 423-5255.**
